

CHURCH OF LOVE

©1994 McSpadden-Smith Music

There are no doors there are no windows
There is no doubt or unbelief
It's a safe sanctuary from whatever wind may blow
It's the home of joy and the house of peace

In the church of love
Everybody stands together
One body washed in Jesus blood
In the church of love
Is a mighty revelation
There's salvation here
In the church of love.

Now every race and every color
Stand equal one and all
The orphans of the world can find a sister or a brother
It's where the weary rest and the weak stand tall

So bring the poor and bring the lonely
Bring the sin sick and diseased
There's no one perfect here
Only passionate disciples
Doing all they know to believe
