Heaven knows I've made mistakes
Heaven knows I've lost my way before
In this broken world
Tempted by the ways of darkness
There's no fear in my heart anymore
This I know for sure

There's a stirring never ending hope within me now
How could I repay the love I found
Because of Him My life is new again
Because of Him
This joy will never end
Because of Him
I will never be the same
Heaven knows my name
Because of Him

People barely recognize
When they look into my eyes they see Jesus in me
Although they may not understand
Why I've placed my life within His hands
Now that I believe
There's a stirring never ending song within me now
How could I repay this love I found
I can finally see
That I am finally free Because of Him.
