---

Sometimes it feels as if I'm fighting all alone  
A silent whisper in the storm  
A soldier praying that his letter reaches home  
Amid the shouting and explosions  
On a planet gone half mad  
I know someone is listening  
Someone understands

Every voice every heart  
Lifting up His holy name  
When we rejoice we're a part  
Of the healing song of grace  
All who suffer let your faith be strong  
You're not alone  
Above the din of worldly noise  
He hears every voice

I catch a glimpse of heaven through the ashes and the smoke  
I know my Father waits for me  
He longs to listen to the song within my soul  
Even as the great deceiver  
Tries to tell me all is lost  
We will raise a might chorus  
And the enemy shall fall
