

IT'S A GOOD THING

Lord I stumble
My world crumbles
That's when I feel Your arms around me
I disappoint You
When I don't want to
Here I am again on my knees

Through all my doubting
Rebellious shouting
Still you're faithfully there

It's a good thing, that you love me
Just the way that I am
t's a good thing that You love me
Knowing that you'll never let go

It's a good thing
I'm full of wonder
These wings I'm under
Shelter me when I'm lost and helpless
Your love's so perfect I'm undeserving
Of Your grace and forgiveness

You know my weakness
My incompleteness
And still You always are there

In You I find my refuge – my purpose and my strength
You gave yourself and washed my sins away
I look at what You've done and I know
Thank you Lord for never letting go
It's a good thing.
