

I WILL

I will walk with Jesus
I will call upon His name
I will seek my Savior
'Till I meet him face to face

Standing here at the crossroads of life
Torn between light and temptation
For everyone there comes a time
We run from our fears or face them
Will I try to pretend to be strong
Or give into truth and be broken
Deep inside I know where I belong
It's a rocky road, but I'm going

It's not easy to carry the cross
To lay down your life and surrender
But when He shed His blood for the lost
He made me His forever

I will walk with Jesus
I will call upon His name
I will seek my Savior
'Till I meet him face to face
I will talk with Jesus
I will reach out from the dark
Fall upon His mercy
I will offer Him my heart
Oh give Him my heart
Oh Lord I will
Oh I will
