Say the name of Jesus
Claim it as your own
Raise your hands toward heaven
Bow before the throne
You gotta shout about His glory
His mercy and His grace
Stand and testify
Say the name

Are you ready – mmmm
To light the fire inside
Say good-bye to darkness in your life
I said are you ready – mmmm T
o see the Promised Land
Witness the power of the great I Am

I'm telling you there ain't no secret
Close your eyes and you will feel it
Brother if you really wanna change your life

Are you hungry – mmmm
Well let Him fill your soul
Surrender all to Jesus and just let go
I said are you lonely
Just ask Him to come in
He'll never let you down, He'll always be your friend

Call upon the Holy Spirit
I'm telling you there ain't no secret
Sister if you really wanna change your life
