

BEYOND THE TEARS

©1998 New Spring Publishing

Daybreaks
Heartaches
Life takes years
When sun shines
Through God's eyes
You can see beyond the tears

I got a feelin' that it's one of those days
World's got me spinnin' but it's not goin' my way
Lookin' in the mirror all I see is doubt
To work it out
That's when I tell myself

Daybreaks
Heartaches
Life takes years
When sun shines
Through God's eyes
You can see beyond the tears

What good is hangin' on a wing and a prayer
When you don't believe the answers waiting out there
Take it from someone who's been down there before
So look up high
You'll find the reason why

Daybreaks
Heartaches
Life takes years
When sun shines
Through God's eyes
You can see beyond the tears
You can see beyond the tears
Look beyond the tears
