

# *IF YOU ONLY KNEW*

©1995

---

I would always wait  
For the perfect time  
But now the time  
Has come and gone  
I hold on to the memories  
As though we're still together  
Longing for the strength to carry on  
Ever since you've been gone

There's not a day that goes by  
I don't think of you and ask (God) why  
I won't get the chance now  
To tell you goodbye  
Or how much I lost losing you  
If you only knew

Life has many pages  
Some we wrote together  
Story I must end alone  
As I go on without you  
You'll live with me forever  
Knowing that one day we'll meet again  
Up where the rainbow's end
