

CALL ME

©1992

Deception

So warm and inviting
You promise your affection
You just love to lie to me
But I found dedication
In the heart of my holy Lord
So I made my confession
And now it's Jesus that I'm living for (And He says...)

Call Me – when you need assistance
Call Me – when you start to fall
Call Me – when you face resistance
Call Me – we'll tear down the wall

Temptation

You taste as sweet as honey
Fool with my imagination
You try and blame it all on me
But I changed my direction
Since last time you came calling
And I'm walking with Jesus
And He keeps my feet from falling (And He says...)
