

# *THAT'S WHAT MY FATHER WOULD DO*

©1992

---

The moment my father came in  
He saw in my eyes that I'd failed again  
But with just a few words and his touch  
He said that I was his child and he'd never give up  
On the person he knew I could be  
Cause my father believed in me

That's what my Father would do  
He'd say my love is stronger  
Than anything you're going through  
My arms are waiting for you  
And though it seems too good to be true  
That's just my Father  
And that's what my Father would do

All of us wish that we had  
The love that we need from that kind of dad  
And I'd just like to show you the way  
To reach out to the Father who's waiting today  
For the chance just to let you know  
That His heart longs to hold you close
