The emptiness tries to fill this room
Seems I've lost a part of me too soon
The thought of facing even one more night
All alone, I feel so weak inside
But through the silence now I hear a voice
The song of hope that says I have a choice
I hear the healing in your sweet refrain
That gives me wings to fly above the pain

Now a greater love is holding my hand
It's a greater love that lifts me up so my heart can dance
My savior lives, now my life is His
There's no greater love
No greater love

And though someday the tears are bound to fall
I know that you'll be here to dry them all
And in my weakness when I feel afraid Lord,
I reach for you and call your name

When nothin' else could change me
Lord, you gave me life again
When I thought no one would save me
I lost myself and found a friend

O Lord, my God, when I am in awesome wonder
Consider all the worlds thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed

Then sings my soul, my Savior God, to Thee
How great Thou art, how great Thou art
Then sings my soul, my Savior God, to Thee
How great Thou art, how great Thou art

My savior lives, now my life is His
There's no greater love

No greater love
