When my heart is torn, my spirits worn
Lord, I turn to you
Trapped in my own lies, no place to hide
Lord, I turn to you

When my prideful self won't cry for help
Lord, I turn to you
When I've lost it all Up against the wall
Lord, I turn to you, I turn to you

When I have trouble facin'
Tomorrow needs replacin'
There's a voice I can't refuse
All of the definitions
The human led conditions T
here's only one way to the truth

When I'm on my knees, can't help but see
A different point of view
When I'm thirsting for something more
Lord, I turn to you,
I turn to you, I turn to you, I turn to you
A hopeless lost position
A sea of indecision
The wind can just drift you away
There's a love that waits forever
And there's a love that just gets better
When I see you face to face
