I surrender all I surrender all
All to Thee my Blessed Savior
I surrender all

Holding onto my heart, afraid to fall
How could I be certain you were there
But then I felt your touch and now I'm sure
Jesus, I am yours
So many secrets here inside of me
From now on they all belong to you
Take all I have and set my spirit free
Jesus, I am yours

With every breath I take
Every choice I make Lord this soul you've saved is forever yours
When darkness seeks my heart
Well, Jesus there you are Lord, you're never far
Now that I am yours
Letting myself give into your embrace
Surrendering all I thought I owned
Long after my life is done, one truth remains Jesus I am yours

Lord, take my heart, I'm not afraid to fall
Now that I'm certain you are here
I feel you touching me with love so pure
Jesus, I am yours

All to Jesus I surrender
All to Him I freely give I will ever love and trust Him
In his presence daily live
I surrender all, I surrender all
All to thee my Blessed Savior
I surrender all
