

TRUSTING YOU ALONE / MY HOPE IS BUILT

©2002 Hill Spring Music

Lord, I'm tired of hiding
Lost in all these tears
Trying to carry all this pain alone
I've been as strong as I can be
But only you can rescue me
Now I'm stepping out in faith
To fall into your sweet embrace

I'm trusting You
I'm trusting You
I'm trusting You alone
I'm trusting You
I'm trusting You
I'm trusting You alone

Jesus I surrender
Take me to your heart
Fill this emptiness inside of me
It's your love and nothing less
That will heal my pain and brokenness
All I have, Lord, all I am
I place my life into your hands

All I have, Lord, all I am
I place my life into your hands

My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus' name
On Christ the solid rock I stand
All other ground is sinking sand
All other ground is sinking sand
I'm trusting You, I'm trusting You
I'm trusting You alone
